LIFE EVENT

Once upon a time, there was a children's catechism group that

They were preparing with great joy and dedication to receive Jesus in Holy Communion.

Everyone participated in the day's meetings on Saturday at the parish, together to their parents with enthusiasm and responsibility.

One day, one of those children, José, got sick and stopped attending school.

Catechism classes at the parish. At first, nobody was worried, as they thought it was something passenger. However, days passed and José did not He was recovering. Then his mother took him to the doctor. After the tests, the doctor told José and his family that he had an illness that could worsen and become serious. They were all very worried and wondered what they could do.

One of the mothers in the catechism group said to them: "Why don't we make a chain of..." prayer among us in the catechesis group, with the children and parents, to pray for recovery From José?

Everyone liked the idea and they started thinking about how to do it. The idea was Pray every day, but at what time, where, what and how would they pray?

During the group discussion, they agreed that it would be best to meet via Zoom after work. Until then. Here, everyone agreed. Then they saw that the best time was 9:00 p.m., after dinner. And finally, they agreed that the best prayer they could say together was the rosary. And so they did.

Every day the mothers and children met to pray the rosary via Zoom at 9:00 p.m. hours. Within a few weeks, José recovered and his illness did not worsen. But the mothers discovered that praying together did them a lot of good, for which They decided to continue meeting every day until catechism ended many months later.
